

Project Name	Total Project Cost	Request	Match Amount	In-Kind	SOW	Jobs Added	Services Added	Justification
High-T Redesign	\$2,210,000.00	\$1,768,000.00	\$442,000.00		The project involves restructuring the intersection to a High-T, reconstruction & drainage improvements of the US HWY 70 / NM 48 Intersection and NM 48 Corridor, from US HWY 70 to Mescalero Trail, and property acquisition. This project will provide for continuous movement on these major streets. Complete plan set and studies to go out for construction bid to develop the plans.	0	Enhanced Access to blighted areas in the Metropolitan Redevelopment Area	Transportation investments lower the costs of moving people and goods. This increases economic productivity, which roughly can be measured as the output of goods and services per dollar of private and public investment.
Upper Sudderth Street Revitalization Development	\$868,746	\$728,746.00	\$140,000.00		Complete plan set and studies to go out for construction bid to develop the plans. Lighting along the roadway and inside the roundabout, survey work, drainage study, and traffic study for the plans. The goal is to stimulate revitalization in this area. Proper grading on the pavement will be needed to correct water runoff issues. Curb and gutters, driveway aprons, sidewalks, drop inlets, etc., must be included. The design needs to include bump-outs for large gateway signage.	0	New Jobs through revitalization in our Metropolitan Redevelopment Area. Regional job growth and productivity.	Currently 3 vacant buildings Potential for developing 2 vacant lots
Event Center	\$17,000,000	\$13,600,000.00	\$3,400,000.00	Donated Property	Year-Round Tourism Destination/ Emergency Center Building: 100,000 Square Feet Area Floor: 6,000 Square Feet Seating: 6,000 The impact that this project will have on tourism and regional growth is unparalleled for this region. This joint public-private partnership will allow our local communities to grow and enhance New Mexico tourism.	400+	ENMU: Vet Tech program Hospitality Tourism	Regional Asset and Job Creation. Strategic training partnership with the local community college to build resilience in sustaining local workforce.
